

## REDEEMED FOR A CAUSE OUTREACH

### SPONSORING FAMILIES FOR THANKSGIVING

For Thanksgiving, this year in honor of our annual “I Have Something to be Grateful For” event we decided to do things somewhat differently alongside our longtime donor and partner Narberth Presbyterian Church as well as, Leah, a dear friend and donor of the organization. Together we locked arms and sponsored the Bermadus family from the Center for Child Advocates. This family is made of victims and co-victims of children who experienced some sort of sexual and/or emotional and/or mental trauma. During this time, we donated canned goods, fresh meats, and produce and all the fixings to make their holiday season memorable. Our organization enjoyed sponsoring this family and being able to support them with holiday meals to make their time together very special. Special thanks to our partners and faithful donors Narberth Presbyterian and Leah for always supporting the vision of our founder. Here’s to more serving!

### CODE BLUE IN PHILADELPHIA

Due to the drop in temperature, the City of Philadelphia Homeless Services issued a “code blue” mandate to help homeless individuals find a warm and safe place to sleep at night. Due to this, we will be preparing care packages during the Winter months to distribute to women we serve in both West and South Philadelphia. If you are interested in donating monetarily, you can send donations via CashApp (\$redeemedforacause), Venmo (@RFACO-1), or paypal (paypal.me/Redeemed5). We are currently looking for hats, gloves, scarves, throw blankets, to package and distribute to those who are being affected by this immediate change. If you are interested in dropping off toiletries, you can email [redeemedforacause@gmail.com](mailto:redeemedforacause@gmail.com) to coordinate a date and time to drop off the toiletries.

### NEW COMMUNITY HUBS

Currently, we have five emergency community HUBS. In 2025, we are looking to identify local organizations, businesses, churches, etc. to establish and run our emergency community HUBS in the West and South Philadelphia area. This way individuals who benefit from our services have access to them whenever they need. It also allows those that manage the community HUBS in each community to connect with this vulnerable population and become a part of the solution.
